IntlCAMDay - June 13

Subject Line: Thank you from all of us at [Community name]

Hi [First Name],

Happy International Community Association Managers Day!

On behalf of [the board / our community / our management team / myself], I want to take a moment to recognize and thank you for everything you do to keep our community running smoothly. From managing budgets and resolving issues to coordinating maintenance and fostering a sense of belonging—you wear many hats, and you wear them well.

Your dedication, professionalism, and ability to juggle it all (often behind the scenes) doesn't go unnoticed. We know that being a CAM isn't easy, but your impact is immense—and deeply appreciated.

Today, we celebrate you not just for the work you do, but for the way you do it: with patience, consistency, and care.

Thank you,

✍️
